SAY HELLO TO

PAT

PAT BELIEVES THAT
THE PINT GLASS
IS ALWAYS HALF FULL.

And
that a few fries
dragged through
mayo won't
kill you.

**AND THAT IT'S OKAY TO
THINK ABOUT HAMBURGERS**

with **big chunks of melted cheese** on a Wednesday when you're not going out for burgers 'til Friday.

AN
APOLOGY
AND AN
INVITATION
FROM
PAT

She'd like to apologize in advance for the negative effects her black bean burgers might have on the environment and would love it if you stop in for a little nonsense sometime.
